A/N: This one's about Heero and how he doesn't know who his enemies are. Pleeze read and review!!!

The Reason for fighting

Although I keep on fighting

The reason is unclear

Most people fight

To protect what they hold dear

Still I keep on fighting

With no purposes in mind

Don't even know my enemy

And that can get me in a bind

Why can't I figure out

What others already know

If I can't realize who I'm fighting

From here where should I go?
